

ERIC RUSINQUE

FRONTEND DEVELOPER

PROFESSIONAL PROFILE

I am a Web Developer passionate about technology. I have 2 years of experience in the world of development. I specialize in the web part with React Js (Using libraries like Redux). I have less than 3 months approximately working on projects with Node JS with Express, with less experience in this technology, but always open to learning. I like to work in a team and with the ability to adapt to the work environment.
